Description :

PDF-cdf94 | The brave pioneers who made a life on the frontier were not only male—and they were not only white. The story of African-American women in the Old West is one that has largely gone untold until now. The stories of ten African-American women are reconstructed from historic documents found in century-old archives. Some of these women slaves, some were free, and some were born into slavery and foun... *African American Women of the Old West*
