Description :

PDF-609b7 | “Eddie’s story is by turns hilarious, informative, and the living spirit of its age. . . . [He] piles the most unlikely anecdotes on top of one another, creating a land of enchantment and an order of chemically altered consciousness that rescues an era I’d thought not so much lost as forgotten. Not only am I thrilled I’ve read this story and wish I was in it, I wish I’d written it.”—... *Armadillo*
