Description :

PDF-d6160 | In July 2004, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of... *The Audacity of Hope: Thoughts on Reclaiming the American Dream*
