Description :

PDF-5be20 | First discovered in 1930, the diamonds of Sierra Leone have funded one of the most savage rebel campaigns in modern history. These blood diamonds” are smuggled out of West Africa and sold to legitimate diamond merchants in London, Antwerp, and New York, often with the complicity of the international diamond industry. Eventually, these very diamonds find their way into the rings and necklaces and... *Blood Diamonds, Revised Edition: Tracing the Deadly Path of the World's Most Precious Stones*
