Description :

PDF-1f870 | Now in its sixth year, the conflict in Mexico is a mosaic of several wars occurring at once: cartels battle one another, cartels suffer violence within their own organizations, cartels fight against the Mexican state, cartels and gangs wage war against the Mexican people, and gangs combat gangs. The war has killed more than 60,000 people since President Felipe Calderón began cracking down on the ... *Cartels at War: Mexico's Drug-Fueled Violence and the Threat to U.S. National Security*
