Description :

PDF-4533a | Darwin's Backyard goes beyond the portrait of Charles Darwin as a brilliant thinker to concentrate on him as a nimble experimenter delving into some of evolution's great mysteries. James T. Costa takes readers on a journey from Darwin's childhood through his voyage on the HMS Beagle where his ideas on evolution began. We then follow Darwin to Down House, his bustling home of forty years, where... *Darwin's Backyard: How Small Experiments Led to a Big Theory*
