ISBN : #1613320213 | Date : 2017-10-10

Description :

PDF-1c32b | This book by Carl C. Anthony offers a new story about race and place intended to bridge long-standing racial divides. The long-ignored history of African-American contributions to American infrastructure and the modern economic system is placed in the larger context of the birth of the universe and the evolution of humanity in Africa. The author interweaves personal experiences as an architect/plan... *The Earth, the City, and the Hidden Narrative of Race*
