Description :

PDF-06994 | My name is Eve Redding, and I am the new god. They captured me in a dirty alley and injected me with a virtual reality chip, a GPS tracker, and my first Seed. They made me a Player. At first, I loved the miraculous ability to level up anything about myself. Then they yanked me off my world for the first time, and sent me to fight for my life on a vicious alien planet, where the other Players are... *Gods of Blood and Bone (Seeds of Chaos) (Volume 1)*
