Description :

PDF-1b4f9 | As we approach the twenty-first century, biracialism and biculturalism are becoming increasingly common. Skin color and place of birth are no longer reliable signifiers of one's identity or origin. Simple questions like What are you? and Where are you from? aren't answered--they are discussed. These eighteen essays, joined by a shared sense of duality, address the difficulties of not fitting... *Half and Half: Writers on Growing Up Biracial and Bicultural*
