Description :

PDF-21cd2 | Your 20 million dollars are already in the bank, they're just in someone else's bank right now. Wall Street is lying to you. Just like the friendly folks at the casino, stock brokers and financial advisors systematically take money out of your pocket and put it in their pocket. This book shows you how they do it and how you can stop them. High Finance has helped thousands of people around the wor... *High Finance: The Secrets Wall Street Doesn't Want You to Know (The Millionaire Trader)*
