Description :

PDF-ecc93 | With the advances in digital technology, musicians can now produce their own music. But the gear is only part of the equation when it comes to recording and mixing. The next part is finding a soundproof room that you can produce it in. Unfortunately, any old room in your house will not suffice for a quality recording. Without a decent room, you'll never be able to record a studio-quality recording... *Home Recording Studio: Build It Like the Pros*
