Description :

PDF-545e3 | What happens when a typical, upper-middle-class man from a respectable American family becomes the target of a covert organization bent on controlling both mind and body? When that secret organization is armed with high-tech weaponry which includes microchip technology aimed at controlling the minds and actions of its victims, terror reigns. In this chilling, true-life account, writer Michael Fitz... *The Invisible Crime: Illegal Microchip Implants and Microwave Technology and Their Use Against Humanity*
