Description :

PDF-89135 | They called him Neutron Jack. They called him the world's toughest boss. And then Fortune called him "The Manager of the Century." In his twenty-year career at the helm of General Electric, Jack Welch defied conventional wisdom and turned an aging behemoth of a corporation into a lean, mean engine of growth and corporate innovation. In this remarkable autobiography-a classic business book and runa... *Jack: Straight from the Gut*
