Description :

PDF-7660d | The first great war of Ovira is over and the most hated king in centuries is dead, but his nephew still lives. However, Basen had nothing to do with the destructive war his uncle started. In fact, it was his uncle who exiled him and his father to the territory of their enemies, where Basen's dreams of becoming a legendary mage now fade as he must work all day just to eat. His only chance at rega...
