Description :

PDF-c8ae7 | States are more likely to engage in risky and destabilizing actions such as military buildups and preemptive strikes if they believe their adversaries pose a tangible threat. Yet despite the crucial importance of this issue, we don't know enough about how states and their leaders draw inferences about their adversaries' long-term intentions. *Knowing the Adversary* draws on a wealth of historical ar... *Knowing the Adversary: Leaders, Intelligence, and Assessment of Intentions in International Relations (Princeton Studies in International History and Politics)*
