Description :

PDF-263e8 | It's easy to feel powerless in the face of big environmental challenges—but we need inspiration more than ever. With political leaders who deny climate change, species that are fighting for their very survival, and the planet's last places of wilderness growing smaller and smaller, what can a single person do? In *Nature's Allies*, Larry Nielsen uses the stories of conservation pioneers to ... *Nature's Allies: Eight Conservationists Who Changed Our World*
