Description :

PDF-9765b | A Captivating story about a 25-year old girl who is the exception to the norm. From an overall healthy young woman with no family history of disease, to an unexpected diagnosis of breast cancer. This book is a raw and unfiltered perspective of cancer through a young adult's eyes. "Adulting" is difficult enough; struggling to figure out who you are and learning your place in life. Adding a canc... *October Never Ends: 25 Years Young with Breast Cancer*
