Description :

PDF-e5a6c | This autobiography tells the intricate and personal story one doctor's path through medical school and out into academia, specialty medicine, and practice, having to conform to the system's standards. Like many doctors, she was on the way to becoming one of the walking dead. Then, one day she realized that policy was harming her patients, and she took a stand. This resulted in hostility and ostrac... *Rising From The Dead*
