Description :

PDF-5ee9a | Great surgeons can save lives even their own ... sometimes in the most unexpected ways. Many people think they have seen enough doctors and hospital shows on TV to understand the life of a physician. But how many know what goes into the actual making of a surgeon? What happens during years of medical school training, followed by years of residency, followed by years of fellowship specialt... *Shoot the Moon: The True Story of a Look Behind the Curtain of Medical School and Residency...and Surviving the Worst in Life*
