Description :

PDF-da8fe | Through a Window is the dramatic saga of thirty years in the life of an intimately intertwined community—one that reads like a novel, but is one of the most important scientific works ever published. The community is Gombe, on the shores of Lake Tanganyika, where the principal residents are chimpanzees and one extraordinary woman who is their student, protector, and historian. In her classic In ... *Through a Window: My Thirty Years with the Chimpanzees of Gombe*
