Description :

PDF-ff3e9 | Earth is in the midst of a shuddering, a crisis. Since all of us are a part of Earth, we are part of that upheaval. We feel it personally and collectively. In this groundbreaking book, Will Taegel, Ph.D., takes us to the confluence of modern science and ancient wisdom as resources for walking across the bridge from where we are to where we are going. In this exciting page-turner, he takes us to th... *Walking With Bears: On Bridges to Earth's New Era*
