Description :

PDF-9f64d | "Nothing about us without us" has been a core principle of American disability rights activists for more than half a century. It represents a response by people with disabilities to being treated with scorn and abuse or as objects of pity, and to having the most fundamental decisions relating to their lives?where they would live; if and how they would be educated; if they would be allowed to mar... *What We Have Done: An Oral History of the Disability Rights Movement*
